

VT BrakeSafe

Rollaway prevention

VT BrakeSafe

VT BrakeSafe is our fail-safe automatic braking system.

Should the driver exit the cab without applying the vehicle park brake, **VT BrakeSafe** automatically does so on their behalf, eliminating the risk of a vehicle runaway.

FEATURES :

- Instant protection
- Fail-safe, protect your company's reputation
- Audible alarm
- Eradicates risk of runaway incidents
- VCA approved
- Autonomous, no need for driver interaction
- Award winning system, including Motor Transport Award, CIWM Award, Commercial Fleet Award.
